ACSM tracks all continuing education credits (CECs) and credits (CMEs) earned from ACSM meetings (International Meeting & World Congress, Integrative Physiology of Exercise and Advanced Team Physician Course) within 4-6 weeks in the CEC courses (ACSM ceOnline) upon successfully reported entries in one location. For record of CECs earned

manually add credits earned from other organizations (above), please click the "+" icon below to add units into the system. All add will populate in your CEC/CME history.

Self-Reporting Tool

Click the "+" icon to add units that you believe that you are entitled to, v
earned by attendance at courses (conferences, seminar, training session
recognized training providers, or other industry related self-learning.

Continuing education (CE) is calculated based on the number of minute
many accrediting organizations may calculate CE differently. Please use
as your guide:

1 contact hour = 1 ACSM CEC

0.1 CE = 1 ACSM CEC

1 College Credit Hour = 10 ACSM CECs

1 CME = 1 ACSM CEC

1 CEU = 1 ACSM CEC

One (1) CE is based on 60 minutes of instruction. Non-instructional por
(i.e. lunch breaks) are not considered learning time and, therefore, are
instructional minutes.

**Note: You may be required to furnish proof of claimed units as
Annual Audit.**
